ABOUT US

Danfoss

We are Platinum Tier in MRO & Retail Market Partner for DANFOSS and Authorized Distributors to various other International brands.

We can provide Hydraulic motor / Axial Piston Pumps & Motors / Radial Piston Motors / Cartridge Valves / Steering Units / Gear boxes & various other products and solutions related to your hydraulics systems.

Company has vast experience and can offer service and solutions related to Mobile and Industrial Hydraulics.

We cater to various OEM's all over India .

The logo features the word "BUCHER" in a bold, red, sans-serif font, positioned above the word "hydraulics" in a black, lowercase, sans-serif font. The text is centered on a white background. Surrounding the text are several large, abstract geometric shapes: a red triangle in the top-left, a black triangle in the bottom-left, and a red triangle in the middle-right. A faint, stylized hydraulic symbol is visible in the background, consisting of a circle with a vertical line through it and horizontal lines above and below, all in a light grey color.

Power Pack Manufacturing

We also manufacture Power Packs as per customer requirement and can offer complete hydraulic design for any application.

Unit Ordering Code Example

- 1 AC/ DC MOTOR
- 2 Bell Housing
- 3 Base Block: As per Circuit
- 4 Pump: Vane Pump, Gear Pump, Axial Piston Pump
- 5 Mounting: As required
- 6 Oil Tank: As required
- 7 Built In: Solenoid Valve as per Circuit
- 8 Built In: With Speed control valve if required
- 9 Directional Sandwich Block
- 10 Solenoid Sandwich Valve
- 11 Directional Valve

Advanced Testing and Expert Repair Solutions

- We provide test bench diagnostics to assess equipment performance, and if any issues are found, we offer expert repair services.
- We specialize in providing high-quality repair services for a wide range of systems and equipment, with a unique focus on test bench diagnostics to ensure your machinery are thoroughly assessed before and after repairs.
- This rigorous testing ensures that each item is thoroughly assessed, and if any issues are detected, our skilled technicians are equipped to handle the repairs promptly and efficiently.

- Our mission is to deliver fast, reliable, and cost-effective repairs while ensuring a seamless customer experience.
- By simulating real-world conditions, we can quickly identify potential issues and determine the root cause of any malfunctions. This rigorous testing ensures that each item is thoroughly assessed, and if any issues are detected our skilled technicians are equipped to handle the repairs promptly and efficiently.

- We understand how important it is to get your equipment working again quickly, which is why we pride ourselves on prompt services.
- We believe in building lasting relationships with our customers. That's why we offer transparent pricing, friendly service, and a satisfaction guarantee on all repairs.
- You can count on us to diagnose the problem and provide effective, long-lasting solutions.
- No job is too big or too small—let us take care of your repair needs today!
